

VENT-CON 2020:

An Open Source Ventilator Conference
Towards Cooperation in the Pandemic Mid-Game

MAY 21, 2020 | 7:00AM – 10:30AM PDT

#osventcon

JOIN US

Please join us for a 3-hour virtual Mini-Conference on May 21st fostering cooperation on open-source pandemic ventilators.

This conference will review the impressive progress, discuss the uncertain present, and forge a path forward for makers, philanthropists, investors, government officials, medical professionals, and manufacturers involved in building pandemic ventilators.
